

THE MSU POLICE WANT YOU TO BE IN THE KNOW...

What important steps should you take as a pedestrian:

- a. Assume vehicles will not stop. Make eye contact with the driver. **Be visible!**
- b. Do not rely solely on pedestrian signals. Look both ways before you cross the street.
- c. Cross streets at marked crosswalks or intersections.
- d. Obey traffic signals and pedestrian signals. **It's the Law!**
- e. Watch for turning vehicles at intersections. Many have green lights when you are crossing.
- f. All of the above

The correct answer is "f"

Remember, be aware of your surroundings and obey traffic laws when walking. Follow the above safety tips to keep from becoming a traffic victim.
