

# THE MSU POLICE WANT YOU TO BE IN THE KNOW...

## Do you know what's important about School Buses and the Roadway?

- A School Bus is yellow/black in color and is used to transport children to and from school or school activities.
- When the hazard warning lights are flashing, proceed with caution.
- When the top lights are flashing yellow, be prepared to stop.
- When the top lights are flashing red, stop!
- When stopping, stop at least 20 feet away from the School Bus.
- A Driver/vehicle is not required to stop when driving in the opposite direction on a divided highway.
- All of the above.

The correct answer is "g"

**Remember, Be aware of your surroundings and obey all traffic laws. Use additional caution in bad weather!**
