

THE MSU POLICE WANT YOU TO BE IN THE KNOW...

Do you know what's important about Walking on Campus at Night:

- Avoid walking alone by using the "buddy" system if possible.
- Walk with confidence and stay alert.
- Walk in well-lit areas.
- Vary any regular walking routes to discourage predictability.
- If possible carry a whistle, shriek alarm, and/or cellular phone.
- All of the above.

The correct answer is "f"

Remember, be aware of your surroundings when walking after dark. Know the location of green light emergency phones that are on your route. Follow these safety tips to keep from becoming a victim.
