WHAT IS OPT?

Optional Practical Training is defined as authorization for “temporary employment authorization directly related to the field of study.” OPT employment authorization is granted for 12 months typically after completion of degree requirements.

WHO IS ELIGIBLE?

- Students who are maintaining current F-1 visa status and continue maintaining F-1 visa status; **and**
- Students who have been enrolled on a full-time basis for one academic year before OPT application; **and**
- Who will be completing degree requirements within 90 days; **and**
- Employment is not required to apply, but proposed OPT employment must be **directly related** to the course of study.

NOTE: If you plan to spend one or more semesters outside the U.S. before your OPT application, then please consult with an OISS advisor for OPT eligibility.

WHEN TO APPLY FOR OPT?

- A student can apply for OPT up to 90 days before the program end date and up to 60 days after the program end date.
- Though it is possible to file the I-765 form (OPT) after graduation, OISS do not recommend doing so as the USCIS processing times vary and you may lose some of your 12-month employment authorization.

WHEN DOES OPT START?

Students have a choice of when they want the OPT to start. The earliest a student can start employment is the day after completing degree requirements. The latest date OPT can start is 60 days after the degree completion date.

EMPLOYMENT REQUIREMENTS TO MAINTAIN STATUS WHILE ON OPT

- During post-completion OPT; maintaining F-1 visa status is dependent upon employment. Students must not accrue a total of 90 days or more of unemployment during post-completion OPT. The 90 days of unemployment begins accruing on the start date of the Employment Authorization Document/card (EAD). For more details, please consult an OISS advisor.
- Employment **MUST** be related to the field of study and one must work a minimum of 20 hours a week in one’s field of study and obtain proof of employment such as a letter from one’s employer.
- The employment does **NOT** have to be paid employment.
- Employment authorization will begin on the date listed on the employment authorization document.

REPORTING REQUIREMENTS WHILE ON OPT

All students on OPT are **required** to report the following to the OISS:

- Once you find employment, you **must** report the name, and address of employer, and start date of employment at: <http://oiss.isp.msu.edu/students/employ/opt/optesf.htm>. If there is ever a **change or interruption** in your employment status, you **must** notify OISS immediately.
- You **must** submit a photocopy of your Employment Authorization Document/card (EAD) to OISS. If you do not use the OISS address on your I-765 form, it is your responsibility to submit a copy of your EAD card to OISS for your student file.
- While on OPT, you **must** continue to update MSU regarding your residential address. Your address **must** describe where you live. It **cannot** be a P.O. Box or an office address. Visit <http://www.reg.msu.edu>, click on “Address Changes” and use “local address” to report the change.

GRACE PERIOD FOLLOWING OPT

Students who successfully complete OPT will receive a 60-day grace period starting on the day after OPT expires. Before the 60-day grace period is over, you must have either departed the U.S., applied to change your visa status from F-1 to another status, or have received a new I-20 to pursue a new academic program.

NOTE: Only those who complete OPT and do not exceed the 90-day unemployment limit receive the 60-day grace period. Those who exceed the 90-day unemployment limit during OPT receive no grace period and are considered out of F-1 status.

FOR YOUR INFORMATION

- You **must** have your **Employment Authorization Document (EAD)** in your possession **and** the start date must have arrived in order to begin employment.
- The EAD will be mailed to the address that you put on the I-765 form. The Post Office **will NOT forward** mail from USCIS if you change your address after you apply. **USCIS will NOT mail your EAD to a P.O. Box or international address.**

You must report address changes of your local residence within 10 days of moving to a new address. The address cannot be a P.O. Box or an office address. Visit <http://www.reg.msu.edu>, click on “Address Changes” and use “local address” to report the change.

TRAVELING OUTSIDE THE U.S.

If you leave the U.S. after applying for OPT, then you must show the following documents when reentering the U.S.:

- **If your OPT is not yet approved, you will need the following:**
 - Unexpired passport
 - Unexpired F-1 visa stamp
 - OPT I-20 with recent travel signature (within past 6 months)
 - OPT Receipt Notice (proof of application)

 - Unexpired passport
 - Unexpired F-1 visa stamp
 - OPT I-20 with recent travel signature (within past 6 months)
 - Unexpired EAD
 - Proof of employment (offer letter or employment confirmation letter from employer)

If you have an expired F-1 visa stamp and you plan to make a short trip (less than 30 days) to Canada, Mexico, or adjacent (Caribbean Sea) islands, consult an OISS advisor or visit OISS page on Automatic Revalidation:

http://www.oiss.msu.edu/students_travel_autorevalid.php.

HEALTH INSURANCE COVERAGE

OPT students may be able to get health insurance:

- **Through an employer:** If you will be working at a job that offers health insurance coverage, you'll simply transition to your employer's health plan.

NOTE: US-based plans usually don't offer medical evacuation and repatriation (MER) coverage. An inexpensive policy for MER can be purchased at <http://www.medexassist.com/Individuals/Products/MEDEXSafeTrip.aspx>

- **Through MSU Benefits Office:** Student who are approved for either OPT or Academic Training (AT) after graduation, their dependent family members are eligible to purchase health insurance. Please contact OISS for the enrollment form and a letter to prove your OPT status, then bring both documents to the MSU Benefits Office at 1407 S. Harrison Ste.140 for special enrollment.
- **Buy a policy from private insurance company:** Learn more at <http://oiss.isp.msu.edu/students/health/buyPrivate.htm>

NOTE: 1) Make sure you know when your current health insurance ends! If you are currently enrolled as a student through the Blue Care Network plan, contact the MSU Benefits Office or Blue Care Network to clarify the end date of your coverage. **2)** OPT students can still be seen at the Olin Health Center, but will be asked to pay co-pay and deductible.

AFTER OPT

Once your EAD is expired, you will have a 60-day grace period. Before the end of the grace period you **must**:

- Depart the U.S.
- Apply for a different visa status
- Transfer to a new academic program

NOTE: Those who exceed the 90-day unemployment limit during OPT receive no grace period.

TRANSITION TO H-1B and H-1B CAP-GAP EXTENSION

H-1B visas for private sector employers typically take effect on October 1st of each year. If an employer sponsors you for an H-1B visa and your OPT expires prior to October 1st, contact OISS to see, if you are eligible for a “Cap-Gap” extension of your OPT work authorization and F-1 status.

If an employer files an H-1B petition on behalf of an F-1 student while that student has valid OPT employment authorization or is in the 60-day grace period following OPT, that student is eligible for a “Cap-Gap” extension.

If your employer files an H-1B petition on your behalf while you still have valid OPT employment authorization, then your employment authorization will be extended starting on the day after your original OPT expires and ending on September 30th. The Cap-Gap extension may end immediately, if the H-1B petition is rejected, denied, or withdrawn. Check with the person who filed your H-1B petition.

If your employer files an H-1B petition on your behalf *after* your OPT work authorization expires, but *before* the end of your 60-day grace period, your status will be extended but your work authorization will not be extended. In other words, you will be allowed to remain inside the U.S. but you will not be allowed to work. In all H-1B cases you should consult with the lawyer who filed your H-1B petition for legal advice.

NOTE: International travel is *not* allowed during the OPT Cap-Gap extension.

While proof of an H-1B petition is all that is needed to prove an OPT Cap-Gap extension, students may request that OISS print a new I-20 which shows dates of continued F-1 visa status and employment authorization.
